2015-2019

PROFILE

I work as a director of live broadcasts at esports tournaments. I am well versed in esports disciplines. I am best versed in dota because I have been playing it since 2010, I have 7,500 mmr, I can work as an in-game director, direct observers on the map if they lack experience. I worked as a director of photography and gaffer in Moscow, and won a diploma for best cinematography at the Moscow House of Cinema. I am good at editing the camera feed, I can participate in the construction of lighting schemes at the pre-production stage.
